Happy Birthday Rum Cake

1 cup sugar
1 cup dried fruit
1 tsp. baking soda

2 liters of rum
2 cups brown sugar
1 cup of butter

2 large eggs
1 lemon
1 bag walnuts

Before starting, it is important to sample the rum often to check its quality. Good, isn't it? Select a large mixing bowl, measuring cup, etc. Check the rum again to see if it has aged properly. To be sure the rum is of proper quality, pour one level cup of rum into a glass and drink it as fast as you can.

With an electric mixer, beat one cup of butter in a large fluffy bowl. Add one teaspoon of thugar and beat again. Meanwhile, try another cup of rum and open the second liter when necessary.

Sift 3 cups of pepper or salt, (really doesn't matter which one) and sammple the rum again. Squwish 1/2 pint of lemon jusice folding in chopped butter and strained nuts. Add 1 babblespoon of brwon thugar or whichever color you prefer. Wix mell.

Grease the entire oven. Turn cake pan 350 degrees and pour the matter into baken dish to ake. Finish the rum and get sum west.
