

CARSON VALLEY FOOTPRINTER

VOLUME 6

MARCH 1997

ISSUE 9

Welcome aboard to our new members, Sam Quintana and Ruth Sawyer, Sam is a retired Deputy Sheriff from Los Angeles and Ruth is retired from Disney Studios. We are sure that you will both be an asset to our Chapter.

Our next dinner meeting will be March 13, at the "*Gardnerville Country Club*," where we always enjoy the great food. Since the *FLOOD*, they have reopened, and are in full swing. Your choice of food will be *Steak, Lamb Chops, or Scampi*. No host cocktails will be at 6:00 p.m. Dinner will be served at 7:00 p.m... Dinner will be \$18.00 per person. We hope that you will give us a call, so that we can save making many calls for "head count."

Our nominations of Officers will be made at the next dinner-meeting, so let's give it some thought. Our fiscal year begins July 1. Dues will be due on that date.

We are happy to report that again we have increased our membership. It is now at sixty members. (Not bad from 25 members). Better than 30% are law enforcement or retired law enforcers.

Before we get too far along in our year, we'd better think about where we will have our annual B.B.Q.. Time is of an essence. If you have any ideas, let's discuss it at the next meeting.

If you can think of a guest speaker for one of our meetings, let me know and perhaps we can get someone who will be considered.

Our fiscal year ends on June 30, and dues are again due. Twenty-four dollars per year is pretty inexpensive for all of the camaraderie we enjoy.

In April, we plan on having our "*Past President's Night*." All Past Presidents will be our guests, for the evening, so we hope that everyone shows up, and we can have a "Bang Up" night.

A petite woman (she was only five feet tall) who claimed to be able to communicate between the earthy world and a world of spirits was arrested one evening for being tipsy while driving. She was locked up for the night but managed to escape from the hoosegow before dawn. The local daily related this story under the headline, Small Medium at Large.

The inmate was aware that all prison mail passes through censors. When he got a letter from his wife asking about the family garden - "Honey, when do I plant the garden?" - he wrote back, "Do not, under any circumstances, dig up our old garden spot. That's where I buried all my guns."

Within days his wife wrote back, "Six investigators came to the house. They dug up every square inch of the garden."

By return mail she got his answer: "Now is the time to plant the garden."
