

CARSON VALLEY FOOTPRINTER

VOLUME 6

APRIL 24TH DINNER/MEETING 6:00 P.M. DINNER 7:00 P.M.

ISSUE 10

We certainly enjoyed another fine dinner at the Country Club last month. Our turnout was really something else.

Our donation to the Douglas County Sheriffs Office made it possible for us to make the TRIAD video which was shown to us. TRIAD now has a vehicle which will enable the Council to show it to other service clubs. The Council wishes to convey their thanks for a job well done.

Next meeting we will honor our Past Presidents. Let's show them how much we appreciate their service to our Chapter. The Past Presidents will be our guests for the evening. We will meet at the CARSON NUGGET, for a nice buffet dinner. Price for the dinner will be \$16.00 per person.

The nominating committee, made up of Past Presidents, Ray Hoyt, Bill Shay, and Bill Depew, will report their suggestions for our 1997-98 officers. At that time nominations from the floor will be accepted.

We should discuss our annual B.B.Q. at the next meeting. Where and when it will be, is what we have to decide. If we wait too long, it'll be pretty hard to reserve a place. Perhaps David Trueblood might check

to see if we might use the same place we were last year. I don't know if it was damaged during the flood.

Thanks again for your continued donations to our monthly P-O.G. drawing. It sure helps our Chapter keep up with our overhead.

One of the most successful dinners that I can remember in the past, was a dinner/auction. We would have a lot of fun bringing "auctionable" items to the meeting for us to bid on. Let's talk about it, okay? When I was in the last Chapter, we found it to be big, as a fund raiser. We would auction off everything from "Uncle John's" old inlaid end table to an antique clock, a white elephant you got as a gift, that you have no use for. That meeting sure helped to support the Chapter.

If you have any suggestions that we could use to make this bulletin more to your liking, please let us know. Don't ask me to do what I haven't learned yet. I'm new to computers, and I'm a slow learner.

Finally, We are pleased to report that our Chapter has been growing rapidly, with some great members, Members that are compatible, and we are proud to say that our choice of candidates is best. Keep up the good work. There are no "bad apples" in this barrel. That's 30 for tonight.....

**** ON THE EDGE ****

Just a note to say I'm living,
That I'm not among the dead,
Though I'm getting more forgetful
And mixed up in my head.
I got used to the arthritis,
To my dentures I'm Resigned.
I can manage my bifocals....
But, gosh, I miss my mind!
Sometimes I can't remember,
When I stand at the foot of the
stairs, if I must go up for some
thing or have I just come down
from there?

And I stand before the fridge so
often, my poor mind is filled with
doubt...Have I just put food away
Or have I come to take some out?
So...if it my turn to write you
There is no need for getting sore;
I may think I have written
And don't want to be a bore.
Just remember that I love you
And wish that you were near.
Now it is nearly mail time
So I must say goodbye, my dear.
Here I stand beside the mailbox
With a face so very red!
Instead of mailing you my letter
I have opened it instead!
