MESSAGE FROM THE PRESIDENT

Our November meeting was a great evening as usual. Even though a few of our members had some conflicting schedules and could not attend, we had a very fine turnout, with a good time had by all.

The guest speaker was Dan Steen, Chaplain with the Douglas County Sheriff's Office. He told us of the ups and downs of being a Sheriff's Dept. Chaplain. In fact, we liked him so much, we voted to donate \$600 to the Douglas Co. Sheriff's Chaplaincy Program to help with the purchase of dress uniforms for the chaplains. Something much needed for special functions such as officer death memorial services, department graduations, and the like.

Here we are at December. My, how the time does fly!

Don't forget the Footprinter Christmas party at Ray & Larna Hoyt's house on Sunday, December 12. That's at 1355 Sanden Lane, Minden (in Johnson Lane). This will be a "Pot Luck" and starts at 1:00 P.M.

Also, don't forget the Elks are hosting a Millennium New Years Eve Party at Sharkey's. Please call Dave Trueblood at 782-3416 for all the details.

Not much else to say other than:
"Have a great Christmas holiday and a Happy New Year."

Thanks to everyone, we've had a great year!

Hope to see you all soon....

Rodney

more from the Vice President ...

Rodney has already mentioned the Christmas Party at the Hoyt's. We always look forward to this affair where we can share the good food, good smells, good music, and the friendliness of the season. The "Pot Luck" part of this is limited to those tasty finger foods; not the meat and potatoes of Pot Luck Dinners. Make up a batch of your favorite goodie and bring along on Dec. 12th at 1:00 in the afternoon.

About this Footprinter issue!

You may have noticed a bit of a difference in the *look and feel* of this month's newsletter. That's because you've got a sub here at the editor's desk. While the Duvalls take a few months off I'll be filling in for them. Since I use a different program, fonts, art, and so forth the appearance isn't going to be the same.

By the way, you'll notice there's no message this month from Ray Hoyt the Secretary/Treasurer. I'm told he's off flitting around somewhere and isn't available to provide his usual information.

Also, Rodney – I'm only able to sub until April because after that the Mrs. and I will do our own flitting around for a spell!

If you have anything that you would like to see published in the newsletter please give me a call or send an e-mail.

Footprinters and the Internet

There are several good pieces of information regarding the Footprinter organization which may be found on the internet. The International Footprinters web page is the place to start.

www.mscomm.com/~footprint/html

This has a chapter listing, links to web pages many chapters have, history, Grand Officer listing, and links to many law enforcement sites. News includes listing of IFA cruises, an IFA calendar, and more. The purpose of IFA is outlined in the information below which was pulled from the main site. Worth a look now and then!

Our Purpose

Our Association is non-profit and promotes and encourages fellowship, respect, cooperation, and helpfulness between all arms of law enforcement (local, county, state, and federal) and all others (individuals, business persons, and professionals) who are sympathetic with and understanding toward law enforcement and all its agencies.

Other goals are to promote the welfare and enhance the happiness of our members and communities and to champion the true spirit of Americanism.

Many of our chapters are involved in supporting civic activities. Some of the things we do are:

- Aiding charitable works,
- Sponsoring boys and girls clubs for sports and other activities, and particularly the
- Awarding of scholarships to young people interested in law enforcement and related fields.
