Presidential Ponderings

Our August meeting was really an "on'r". We had 75 attendees, a record number of "Pot of Gold" prizes, AND 10 new members were sworn in! We also had an interesting and informative program. [thanks Bruce]

Our comments in this bulletin generally reflect information about our past or upcoming meetings. This month, I will deviate a bit and express a debt of gratitude to one of our members whom we, for the most part, take for granted. Each month we receive our "Carson Valley Footprinter" without thinking about the time and effort involved. Paul Conrad is the "CHIEF COOK & BOTTLEWASHER" of our publication. He phones and E-mails reminders to all of us to be timely with our inputs.

Paul has provided us with historical IFA information, been our staff photographer, performed the editing and lay-out work, and filled the blank spots with informative news items or anecdotes. As though this is not enough, he also is the printer and head of circulation. Paul, Thanks for all of your dedicated efforts. [ed: Thanks Clay, but the history is supplied by Ray Hoyt.]

From The Vice-President

The August meeting at the Carson Valley Inn was attended by 75 members and guests. The speaker was Keith Copher, the Chief Of Enforcement for the Nevada Gaming Control Board. He was very informative and answered many questions.

Our next meeting on September 20th will be at the Topaz Lodge and will cost \$10.00. The price is low, the food and service is very good so we should have another good turnout. the speaker will be Colleen Bacon, from The Trust For Public Lands. She will explain the program and how we might all help. Please make your reservations early.

CALL IN BY SEPT. 13TH.

From the Secy/Treas.

At our recently held Board of Directors meeting, we approved the annual budget for this fiscal year (July 1 through June 30). As before, we have allowed for Annual Project(s); if you have any suggestions to be considered for our assistance during this year, make them known to a Board member.

The Grand President is scheduled to make an appearance at our September meeting at the Topaz Lodge. I will miss the meeting due to a trip to Albuquerque, New Mexico during that week. The International Outlaw Motorcycle Gang Investigators Association's annual training conference will be in session; I sit on the International Board of Directors of that organization, and am also its Historian. Make our Grand President feel welcome!

The mid-winter meeting of the Grand Board of Directors is scheduled to be held at the Peppermill Hotel in Reno on February 7-9, 2002. Thursday, Feb. 7 in the evening is the Grand President's Reception; Friday and Saturday, Feb. 8 & 9, are dedicated to conducting the business meetings. All of our members are welcome to sit in. The registration for the event is only **\$10 per person**. This may be a good opportunity to see the Grand Board of Directors in action. Remember, we have a representative on the Grand Board – Grand Director Rodney Snead. Go cheer him on!!!!

We are down to **3** members from whom I have not heard regarding their intentions to renew their memberships for this new year. I won't name them yet, but their last names all start with **H**. (It's not Larna or I.) The grace period for paying dues runs until September 30 at which point all delinquent members will be dropped. Don't let that happen.

Those of you who have paid your dues and have not yet received your current membership cards – I have 'em. If I don't see you soon to hand them out in person, I'll mail them to you.

Nice to see Jane Poulos with husband Connie nicely recovered from his hip operation!

Glacier Park, the Idaho Sawtooth mountains and Shakespeare in Utah have been recent destinations for us and we'll head for No. Carolina and points between in Sept. That's why there's no Oct. Footprinter (See next page). We *may* be back for Oct. meeting. Be Safe, well, and happy 'til then!
