Presidential Ponderings

In spite of the threat of stormy weather, we had 80 in attendance for our April meeting at Topaz Lodge. The buffet offered several entrees along with a good selection of vegetables and salads.

Pastor Rich Lammay gave a super presentation on his experiences at the World Trade Center following the 9-11 tragedy. He really did a great job of preparation and presentation as there were virtually no questions following his talk. (I believe that's a first!)

The nominations were open for officers and directors again. There were no further nominations for any position, thus nominations were closed. At this point you elected, by acclamation, the slate previously presented by the nominating committee. Following is a list of officers and directors for chapter year 2002-2003.

President----- Grady Goodwin
Vice-President----- Joel Morrison
Secy/Treas----- Ray Hoyt
Sgt-at-Arms----- Norma Goodwin
Grand Brd. Mem.---- Ray Hoyt
Imm. Past Pres.---- Clay Hill
3 Year Director----- Fred Hersey
2 Year Director----- Dick Upton * Carried Over
1 Year Director----- Ron Pierini * Carried Over

We added another member to our roster when we "swore-in" Anne Hill. Welcome Anne.

During the meeting, we approved funding for the following: Search & Rescue, Douglas County Sheriff's Department Citizens' Patrol, Canine Program, and Triad.

A big THANK YOU to Norma Goodwin, Larna Hoyt, Mary Jane Harding, and Fred Hersey for conducting the Pot-of-Gold drawings.

Our next meeting will be back at the Carson Nugget. We look forward to seeing ALL of you there and save July 14th for our Picnic at Aspen Park. *Clay*

From The Vice-President

The last meeting at the Topaz Lodge, started out to be our most attended one ever. We had 96 confirmed reservations but then personal sickness, emergencies and an out of town seminar by some of our Elks members reduced the gathering by 16.

Our guest speaker was Pastor Rich Lammay, who gave us a great talk on his personal observations at Ground Zero in New York City. Thank you very much Rich.

Our May 16, meeting will be at the Carson Nugget, and our guest speaker will be very interesting to all you home gardeners. Wendy Hanson, a master gardener volunteer coordinator horticulture assistant will be on hand to answer your questions on lawn and garden problems so think of some good ones to ask.

We can now confirm that our June 20, meeting will be at the Topaz Lodge. The program speaker that had given us a tentative commitment can not make this meeting so we will let you know later who it will be.

From the Secy/Treas.

For those of you who know former Grand Secretary-Treasurer Carl Johnson, I have just received information that he is recovering from a broken vertebra. He is living at the Ygnacio Valley Care Center, Room 6B, 1449 Ygnacio Valley Road, Walnut Creek, CA 94598-2932. His private line is 1-925-256-7506. Carl would love to hear from his many Footprinter friends; calling or writing would definitely lift his spirits.

At the last meeting, the membership approved the following donations as recommended by your Board of Directors:

\$1000 for the Douglas County Sheriff's Search and Rescue. They have an ongoing need for new and replacement equipment which the county does not fund.

\$500 for the Douglas County Sheriff's Citizen's Patrol. This is the expanded program which started as the Handicap Parking Enforcement Program. It now handles vacation checks, abandoned vehicle reports, graffiti problems, placement of the DCSO radar trailer, etc., as well as handicap parking enforcement.

\$500 for the Douglas County Sheriff's Canine Program. DCSO has recently replaced a retired dog; another is slated for retirement soon. Certain canine training is funded by the county, but other expenses have to be paid by community-generated donations.

\$500 for the County TRIAD Program. TRIAD puts on the Senior Law Enforcement Academy and advances a number of causes for seniors in the county. They have a real need for additional funding.

The new slate of officers and directors as mentioned in Clay's column will take over for the year beginning July 1, 2002.

Sometime in May, I will be sending out a Dues Notice for the year beginning July 1, 2002. Yes, it is that time of year again!!! As usual, I would appreciate your renewing your membership sometime prior to July 1. It makes my bookkeeping somewhat easier. See you at the meeting.

Just a thought—"If you can smile when things go wrong you have someone in mind to blame."

I spoke with the Sheriff about the Senior Law Academy. It's going now with 37 folks on the roster. The DCSO intends to hold these sessions annually, so if you missed this go-around there's always next year, probably. Please keep it in mind if you haven't attended yet.

Since we have a large number of new members it's worth visiting the topic of Pot-Of-Gold. Last month's donations were somewhat down. The Gifts you bring, generally not exceeding \$10, are used to reward raffle ticket holders. The proceeds from raffle ticket sales are the only source of funds for supporting groups such as those named in Ray's column. Personally, I think this is much better than setting up tents at dawn, feeding hordes of noisy children, or running Bingo. Thanks for your participation in both gift donation and ticket purchases.

We wish all good things for Jennie Hill as she moves on to a new post. The DCSO and we Footprinters will surely miss her cheer, talent, and good works. The very best to you, Jennie!
