Presidential Ponderings

For those of you that did not attend our annual picnic all I can say is wow! What a way to end a fine year! You missed a great meal of tri-tips, beans, and salad. We certainly need to give our thanks to Vic Christ and his crew Bob Allgeier, Rodney Snead, Grant Allgeier, Bill Shay, Bruce Folker and Bob Minton tending the refreshment bar. The weather was perfect and the company was great. Thanks for coming.

Our August meeting, held at Topaz Lodge was the first of our new year. We had a great turnout, especially since we did not have a July newsletter because of Paul and Judy Conrad's Alaskan vacation. Well deserved I might add. Welcome back Paul and Judy for another exciting year.

We had a great speaker this month. Al Baumrock, is retired from D. C.S.O. as a Lt. in charge of the concealed weapons program. He was a delight to listen to and gave us information about the concealed weapons program around the state and country. It was interesting to learn all programs are not the same.

Along with a certificate of appreciation we also gave Al and his lovely wife Susan membership applications with an invitation to join our group; hopefully they will. We know that Al is a retired from D. C.S.O., but as an added touch Sheriff Ron Pierini cited him again by making him an Honorary Deputy Sheriff and presenting one of the department's small badges. Sheriff Pierini has agreed to continue this with all our speakers this year and hopefully into the future.

My special thanks to Nadine Nowosad and Em Dane for acting as our greeters and lending a hand to our sergeant-at-arms in delivering the Pot-of-Gold gifts. The Pot-of-Gold gifts are essential to our income as it is the only fund raising method that we utilize; keep them coming. Our greeters can go a long way in making our new members and guests feel at home; which is what we wish to do.

We have some very exciting speakers coming up as Joel Morrison, our V. P., will tell you about. We also have tentative plans to add the C.V.I. back to our list of restaurants to hold our meeting. As of this writing we have accomplished that goal; dates to be announced later.

I am looking forward to seeing all of you at the Carson Nugget on September 19th. Joel has a great speaker all set to tell you about things happening in our valley.

When calling in for the early bird reservations please do **not** call me this month. You'll be disappointed since I will not be home from a short vacation until the 19th.

Grady

From The V-P

This month's meeting should be very interesting. It will be held on September 19 at the Carson Nugget at a cost of \$17.00 per person. Our speaker will be Mr. Thomas Pasinger, who is the plant manager of the new Starbucks plant currently under construction in Minden. Did you all know that Starbucks is also putting in a retail outlet in Gardnerville? It will be located in the Scolari's shopping center and will even have a drive-thru.

The October meeting will be held at the Topaz Lodge on October 17th, at a cost of \$14.00. The speaker for this meeting will be Capt. Wendell (Ray) Alcorn, USN Retired. In November we will again be at the Carson Nugget (November 21) for \$17.00. We will have Frankie Sue Del Pappa as our speaker. December will be the annual Christmas party, to be held at the home of Ray Hoyt. This should be fun for all.

Membership

We still have some members who have not yet sent in their renewal dues. Our chapter bylaws say that any member who fails to pay his/her annual dues within three (03) months after the same falls due shall be automatically dropped from the membership rolls of the Chapter. The three month grace period is July, August and September. Those who have not yet paid know who you are; please let us hear from you.

We still have some rather new members to swear in: Wayne and Debbie Fazzino, Vernon Fix and Charlene Spinner. We have membership certificates for you.....

We have received applications from some more prospective members: Barbara Stapleton, Roger Arthur, Lloyd Barrett, and Robert and Helen Kopacz. These applications are in process.

Newsletter Advertising

We have had only two advertisers renew for this fiscal year. Some of you must know of someone just itching to advertise in our newsletter. The cost is only \$20 per year. A business card and a check for \$20 made out to IFA 72 and sent to the Secretary-Treasurer is all it takes. How about stirring up some action.

Coming Meetings

As most of you know, the December meeting of our chapter has, in recent years, been a potluck event held at our house. This year will be no different. It is traditionally held on a Sunday afternoon in mid-December – no business is transacted, no pot of gold, just a socially-rewarding time to mix and wish each other well. Attendees bring their favorite finger-food and Larna and I supply all of the liquid refreshments. Watch for the exact date and time.

I will miss the September 19th dinner meeting at the Carson Nugget...I will be in Vancouver, BC attending the International Outlaw Motorcycle Gang Investigators Association annual conference. As some of you know, I am on the Board of Directors of that organization, and serve as its Historian.

Stay safe, Ray

The Editor's Space

Well folks we made it back! A very long ferry ride, 10,500 highway miles, a bus excursion, four airplane and one helicopter rides all showed us a lot of wonderful territory. Our favorite moment—seeing Mt. McKinley for the first time after several days of rain. The most surprising—The mountains of Canada's Kluane Nat'l Park where Canada's tallest peak is found surrounded by a huge icefield. What we could have done without—Valdez, a dingy town with overpriced, crude accommodations and zillions of RV's parked everywhere. Best treat for the tummy— that Canadian maple walnut ice cream. OK, time to get back to business,

Some recent changes worth mentioning—The kids are back to school and those **School Zone** speed limits are being enforced. Please help to keep all those youngsters injury-free. Also, the lane changes through Carson City. So far, so good. They seem to be working pretty well. Finally, the change of a bunch of Wal-Mart traffic from Carson into Douglas County. This will have an increasing impact as more drivers unfamiliar with the area dive into the W-M. Keep alert in north Douglas County.
