

CARSON VALLEY FOOTPRINTER

Volume 16

November 2002

Issue 3

Presidential Ponderings

This is October 24th, and as I sit here to write this portion of the *Footprinter* I am listening to TV and receiving some of the best NEWS I have ever had. They have arrested the killers that were loose in our nations' capitol. I have sent our congratulations to all the law enforcement agencies through the FBI for their fine detective work. They really did it in short order.

At the last minute we had a problem for our last meeting. Ray Alcorn had his neighbor call and tell us that he would not be available due to failing his physical examination. He had to go back to the hospital on Thursday for more examinations. I talked with Ray on Monday and he said he has one artery completely blocked. If they can't correct with medication he will have to undergo a bypass. I wished him well from all of us and told him we will look forward to having him speak to us sometime next year.

Even with the problems of a last minute cancellation we still were able to provide our members with a fine program. If you weren't there you missed a good one. our Sec/Treas. Ray Hoyt gave us a program on Motorcycle Gangs which was very enlightening especially for me. I never knew some of this existed in our wonderful country. Thank you Ray for stepping up and getting us out of a jam.

I know Ray is going to mention this in his newsletter, our annual Christmas Party will be at the Hoyt's home on Dec. 15. You are also invited to bring along one of your favorite dishes in the finger food variety. Come eat, drink, and be merry. This is always a rare occasion.

I want to thank all of you that brought POT OF GOLD gifts this month, they were really great. I also want to thank our Greeters for the meeting, Bev Thayer and Billie Watson. These ladies are doing a great job making our members new and old feel welcome. They are also a big help in making our POT OF GOLD go smooth and fast, thanks again.

We only have one more meeting this year and our last month looks like it is going to be a great one. It will truly be a LAW AND ORDER night. So make your plans now and get your reservations in early. I will let Joel tell you about the next meeting and I will look forward to seeing all of you there.

Grady

From The V-P

The Pot of Gold table was a huge success this past meeting. Thank you all for the beautifully wrapped and plentiful donations. I think we had 25 items this month. Good Job!!!! Since this is our livelihood, keep up the good work. Don't worry about not having enough room on the table, we can always get another.

Our next meeting will be on November 21 at the Carson Nugget. The cost will be \$17.00 per person. Our speaker will be Frankie Sue Del Pappa, who is the incumbent Attorney General for the State of Nevada. She should be very interesting, especially since the elections will be over by the time we meet and she will be serving out her term, as she decided not to run for reelection.

The December gathering will be a PARTY to celebrate Christmas. It will be at Ray Hoyt's home. Everyone will be asked to bring a finger food or hors d' oeuvres. The Hoyts' will be generously providing all libations. Stay tuned for address and directions in the December *Footprinter*. Until next month.....

Membership

We continue to grow. Congratulations to the six new members sworn in at the last meeting: Roger Arthur, Barbara Stapleton, Beverly Thayer, Kenneth Bryant, and James and Anna Hansen. We have another six new members whose Grand Chapter certificates should be here in time for their swearing in at the November meeting: Thomas Daily, Anne Thornhill, John Wise, Thomas Pasinger, and Robert and Helen Kopacz. This takes us to 131 active members. We have two other relatively new members who we'd love to see at a future meeting so we can swear them in and present them with their certificates: Charlene Spinner and Vernon Fix.

Gardnerville Residents

It would be greatly appreciated (the post office would like it, too!) if our Gardnerville members would check their mailing labels, specifically their zip code. With the split of 89410 into 89410 and 89460, we need to update our records to ensure that we have everyone's correct zip code. If we show your zip code as 89410, and you have been changed to 89460, please let either Editor Paul Conrad or I know so changes can be made. See Paul's column for his plans. Thanks.

Newsletter Business Card Ads

Again, I'd like to ask the membership to do a little sales work for us. All of you must know someone who is just itching to run their business card ad in our newsletter. It only costs \$20 per year. Send the business card and the check to me.

Membership Cards

To those of you whom I have missed at recent meetings, I am sending out your current year membership cards in the mail. By the time you read this newsletter, you may already have received your cards. If not, they will arrive shortly.

See you at the next meeting on Nov. 21st.

The Editor's Space

One thing IFA #72 needs to get taken care of is the ZIP code errors for a bunch of you Gardnerville folks who recently had ZIPs changed. At the next meeting I'll have a printer list of my address labels. When you check in please review and mark any corrections that are needed. This should make the P.O. happier.

With Winter approaching it's always good to check if your vehicle is ready. Check tires, emergency equipment such as flares, and are chains in good shape? How about de-icer, fresh wiper blades, washer fluid, gloves and a bunch more. Winter is no time to take chances. May you avoid all the *Black Ice* entrapments.

Fun With Anagrams

I hope you have enjoyed the anagrams I have put into the newsletter each month. Did you know that in some places anagrams are endowed with near-mystical qualities and it's believed *Anagrams Never Lie*? A search of the Internet will find about 100,000 hits on "Anagram". Many are anagram generators which will work with whatever name or phrase you give it. Many have archives full of anagrams and encourage you to try your name. Just for laffs I input "*Footprinter*." Here's just a few of the thousands of results:

No Fit Report! (???)	Rote of print
Fit on Top ERR	Front toe rip
Frontier Pot	Not profiter
I fret, pronto!	Note for trip
Torrent of PI (3.14, 3.14159, 22/7)	
And my favorite: Frito Pen Rot Hmmmm...
