Presidential Ponderings

I can only hope that everyone enjoyed the January meeting as much as I did. Every time Norma and I have had plans to attend one of the Senior Law Academy classes we happen to have commitments that take us out of the state. I don't know what will happen between now and the time the class starts.

Deputy Hubbard -->

What a nice crowd we had for this meeting. We are sorry to hear that the Neumann's couldn't be with us due to a medical emergency and their guests the Colee's. The sudden emergency room visit by the Ken Bryants, and the deaths in the families of the Allgeiers and the Tomlinsons; we all send our best wishes to you in these trying moments. We will also look forward to seeing your smiling faces at the next meeting.

I want to thank our greeters for this month Fran Coursey and Mary King. These ladies help to keep our program move in an orderly fashion so as not to keep us there until later than most of us want to stay. Our Pot-Of-Gold keeps getting larger every meeting and without them it would take a long time to get all the gifts raffled off and into the hands of the winners. Thanks again ladies, you are a big help to all of us. I would be remiss if I didn't thank all of our members for the great Pot-Of-Gold gifts that they brought for this meeting. we would not be in the financial position that we are without your generosity. Thanks again!

At the last meeting we mentioned that we had some new pens with our name printed on them, these are great writing pens and I know we all buy two or three a year due to drying out. These pens are only two dollars and are affordable so please give some thoughts to your future needs and pick up two or three for your own use and pass some along to your friends they are great advertising for new members.

Lets see if we can make our February the biggest attendance that we have ever had and set some kind of record for attendance. We have a great program lined up and I am sure you will enjoy the information that will be available in the program. As much as I enjoy talking with you when you call for the early bird reservation don't call me this month. We will

not be back in town until February 18 which is too late for the early bird drawing. There will be numbers posted in this letter advising who you should call this month.

Looking forward to seeing everybody next month. We do have a great program for you.

Grady

From The V-P

Hi Gang. Another good meeting has come and gone. Our speaker was great and I think everyone enjoyed Deputy Hubbard. We again had a large crowd. Keep up the good work.

This months meeting will be at the Carson Nugget on February 20th. The cost will be \$17.00 per person. Our speaker will be Bobby Wartgow, Deputy Fire Chief/EMS of the East Fork Fire and Paramedic Districts. He will be speaking to us about his department and its duties. This should be very interesting for all of us.

I will not be in town during the period of February 2nd through the 9th so please check the newsletter for the numbers to call for reservations. Hope to see all of you at the February meeting.

Take care,

Joel

From the Secy/Treas.

First, I'd like to comment about our guest speakers at our meetings. They take the time to prepare a presentation for us that will be interesting and fit the time limits we give them. We all need to be courteous and listen to them. Private conversations tend to be distracting. Enough said!

We continue to grow. We swore in two new members in January, and we have more in the pipeline. Keep 'em coming. I have more applications!!!

The January Initiation Ceremony

Those who attended the January dinner meeting learned that our chapter now has ball point pens for sale for \$2 each. They have "IFA CARSON VALLEY #72 INC" and our mailing address printed on them. They are really nice looking pens. We sold 30 of them at the dinner! We have about 40-some left. Don't be left out. Let me know if you want one (or more).

Our last two dinner meetings have been extremely well attended. In November, we had 99 in attendance; in January, we had 90. Interest is very contagious! Our attendance seems to be getting higher than other chapters have members!!! Don't be left out - if you haven't been to a dinner lately, we miss you! I would also like to commend you attendees for supporting the Pot-of-Gold raffle at each dinner. Since August last year, our Pot-of-Gold has averaged almost \$250 per meeting. Thanks again for your support!

See you in February.

The Editor's Space

The weather has been so good that it seems pointless to talk about the winter defensive driving techniques, except to caution if you go up to the Lake there's still a lot of snow on the ground there. Some of the parking lots still have pretty good snow piles in them. Mornings and early evening can bring black ice which is nasty stuff!

I'm one of the latest of your fellow Footprinters to join the DCSO's Citizen's Patrol with leader Warren Thayer. We perform house vacation checks and enforce the handicap parking regulations. Other duties may be included as appropriate. Nice to be giving back to the community in even a small way.
