## The President's Message

Well, here we are at the end of May and spring has not arrived, but there is one thing heading our way in a big hurry and that is the end of our year 2002-2003. That means we only have one more meeting for this year. It has been a great year with some great speakers full of information that I know we all enjoyed, this includes the speakers at the May 15

Sgt. Aymami

Kathy Bartosz

meeting. Sgt. Dave Aymami and Kathy Bartosz did a fine job in explaining the programs that work in Carson Valley. All these things put together make Carson Valley a better and safer place to live.

Lets all give Ray Hoyt our prayers in helping him pursue his hopes of becoming the District Governor. Ray will be attending a District Meeting at the end of this Month. Good luck Ray we know that you will return as our new Governor.

I hope that everyone was pleased with decision to support

our Sheriff's department with the four Taser guns that we will pay for this year plus the \$200.00 for the Citizens Patrol. The Taser guns will save lives and that is a good thing. The Citizens Patrol has been moved to a new office and can use this money to make it a nice place to work. In case you are not aware these guys take a lot of pressure off the deputies on the streets and have now agreed to take reports from citizens that need to make a report in the office. If any of you want to participate in this program let us know and we will put you in touch with the right people.

Don't forget the picnic in July. We will pass the sign up sheet around at the next meeting. We have 90 people signed now this is going to be a great picnic. I am really looking forward to the good food, change of officers, and great prizes for the bingo winners.

Once again I want to thank our greeters for the meeting. This time we were fortunate to have three lovely ladies to greet our members. Georgia McCardle, Ruth Quintana, and Judy Conrad. Thanks ladies I don't know what we would do without you. All of you have added so much to our program this year. We all thank you.

See all of you at the June meeting.

*Grady*

## From the Vice-President

Thanks again for all your support at the last meeting. I hope you all enjoyed our two speakers. This month we will again be meeting at the Topaz Lodge on June 19th at 6:00PM for attitude adjustment followed by dinner at 7:00. The lodge had raised its prices for their banquet facilities so that they are more in accordance with the other restaurants we have been using. The cost of the

dinner will be \$17.00 per person.

Our speaker will be Carl Lackey of the Division of Wildlife and he will be presenting his program on the California Black Bear. This is a very interesting program and should be enjoyed by all. Keep those Pot O' Gold donations coming. The proceeds really go to good causes, as we learned last month.

Take care and we will see you at the Topaz Lodge on the 19th.

Sincerely,

*Joel*

#### **Chapter Polo Shirts**

The first wave of shirts were delivered to the members who attended the May dinner meeting. I still have 10 shirts which were ordered and not yet picked up. Please call me at 267-4355 to arrange for them to be picked up:

Clay & Glennis Hill  
Jay & Jean Tomlinson  
Butch & Shirley Blume  
Barbara Stapleton  
Nancee Goldwater  
Richard Upton  
Bob Lechien

In addition to the above shirts, I have two additional shirts, size large, one is white, the other is navy blue, which are not spoken for. First come, first serve – call me and lay \$25 on me and you can be a shirt owner.

It is anticipated that we will circulate another shirt order sign-up sheet in the next few months.

#### **Dues Renewal**

Dues renewal notices are going out (you may already have received yours). Regular member dues are \$24 per year (July 1-June 30). Please be prompt in renewing your membership; it makes our financial planning go so much easier.

#### **Other Stuff**

As our year winds down, and we can reflect on our accomplishments, it has been a very successful year. We had our first 100+ turnout for a dinner meeting. Our membership continues to grow - now over 140 members (counting our associate members). Our financial condition is very healthy. Our *Carson Valley Footprinter* editor, Paul Conrad, continues to do an exemplary job with our newsletter. On behalf of the Board of Directors, I would like to extend our thanks to the membership who continue to attend, participate, and support our activities.

### *From the Newsletter Editor*

Each month as I start in writing my column I have no clue what I'm going to say and this month is no exception. I'm sure by now you all are aware that our chapter

President has opted to move out of the area to the warmth of Arizona. (Perhaps he should have made that decision in the Summer!) He has done a fine job of leading IFA #72 into a period of considerable growth. Best way to honor his efforts is for us to sustain our energy and dedication to further expansion.

I am writing this and have once again just heard of the holiday road fatalities where those killed were thrown from the vehicle because their seat belts weren't used. I know I nag about this but isn't it worth a little nagging if we save someone's life? **Please Buckle Up!**

As just one of the Citizen's Patrol members I'm sure we'll put to good use the donation of IFA #72. Thanks for thinking of this all-volunteer outfit for your support.

*Paul*
