The President's Message

I am looking forward to this next year, let's keep growing like we have been, and keep the Pot 'o Gold coming in.

The prizes that you the members bring in for the raffle is the thing that makes it work. The report that Sheriff Pierini gave us at the picnic shows that we as a group can make a difference. I would like to thank the members for electing me to be their President for this coming year.

Wasn't the picnic GREAT? We had a nice breeze that helped cool us off a little and the food was very tasty. We had some really good prizes for the Bingo, (Thanks to Ron Pierini and Mary Jane Harding for getting them), a good turnout, and I think everyone had a good time. I would like also to thank Paul Conrad & Dick Upton for calling the bingo, and Joel

Morrison, Jay Tomlinson, Roger Arthur, Walt Nowosad, and John Wise for selling the cards.

We swore in 3 new members, and voted in 2 members. There were also some new members that could not make it to the festivities, so we will have them sworn in next meeting. Let's keep asking our friends and neighbors if they would like to join us. We really have a unique organization where you can come and enjoy yourself eating, making new friends, and listening to great speakers

It was with much pleasure that I was able to present Grady with his Past President Pin, and a plaque showing our gratitude for the work he did this past year.

**SEE YOU AT THE TOPAZ LODGE

Dorman

From the Vice-President

First of all, I would like to thank Joel Morrison for all his help in getting me started as Vice President for the coming year. I would also like to congratulate Joel on a job well done.

Our next meeting will be at the Topaz Lodge on August 21st at 6:00 PM. Our guest speaker will be Terry Taylor, a Fire Captain and Investigator for the East Fork Fire and Paramedic District.

The menu will be fresh fruit, mixed greens with house dressing, pasta salad. Chef's choice vegetables, herbed rice pilaf. Golden Almond Chicken. Braised Sirloin Tips with Mushrooms and Pinot Noir Demi-Glazed over Linguini. Baby Red Potatoes and Assorted Pastry. Dinner cost is \$15.00 per person.

I'm looking forward to seeing you all there.

Nothing in the world can take the place of persistence.
Talent will not; nothing is more common than unsuccessful men with talent.
Genius will not; unrewarded genius is almost a proverb.
Education will not; the world is full of educated derelicts.
Persistence and determination are omnipotent.

The Sec'y/Treas. Message

Dues renewals continue to come in, but they are slowing down quite a bit. On the positive side, 119 renewals are in (114 regular, 5 associate).

However, 23 of you have not yet renewed. If your name appears on this list, please either send me your dues or let me know your intentions. I'd really appreciate it.

Chapter enthusiasm continues to climb as evidenced by the large turnouts at our events. Our annual picnic in July was no exception...we fed 120 people, a new picnic record. All of you are to be commended for your support of the Chapter.

A lot of you received your 2003-2004 membership cards at the picnic. I will bring those that I still have to the August dinner for distribution. If I still miss you, I'll mail them out.

See you at Topaz.

From the Newsletter Editor

Here we are at the start of a new IFA season! No warm-ups, no spring training camp—just *"On with the action!"* and I get to break in a new set of authors for the *Footprinter* page one columns. You'll notice an extra feature for **this issue only**—an insert page with photos from the picnic and some previously unpublished pictures taken during the last year. I apologize for the picnic picture quality. The lighting conditions in the grove are just awful for getting good photos. I did a lot of computer adjustment to get them this good.

Most of you know about the Citizen's Patrol of volunteers for the DCSO. Many of the Footprint members belong to this group. And, you are probably aware of the handicap parking enforcement and home vacation checks we do. You may not be aware that about a third of that group also volunteers for shifts at the DCSO taking reports and assisting walk-ins. While some of the clients must be referred to deputies, we are nearing a hundred of these folks that the patrol has assisted. Some of what we handle are minor vehicle mishaps, vandalism, lost and found property, and inter-personal difficulties. With weekday staffing we save the regular deputies nearly one full person's time. Kudos to Sheriff Pierini and Warren Thayer for finding added useful tasks for the CP volunteers.

- A quote from Kurt Vonnegut -

Just because some of us can read and write and do a little math, that doesn't mean we deserve to conquer the universe.

=

A masquerade can cover a sense of what is real to deceive us; to be unjaded and not lost, we must, then, determine truth.
