The President's Message

Our March 20, 2008 meeting was called to order at 6:52 PM. Our gathering was held at the Carson Nugget in Carson City.

Ann Hersey led us in the pledge of allegiance. Our guests were introduced and the super dinner buffet and dessert line was then attacked by our participating members and guests.

This was a very important and exciting meeting for the following reasons: 1. The attending members were asked to vote on accepting a proposed amendment to the IFA, Carson Valley Chapter #72 Bylaws. 2. Your Chapter's Nominating Committee presented their recommendations for the coming fiscal year's Officers and Directors. 3. Secretary-Treasurer Ray Hoyt presented new member Roger Dennis with his membership certificate and current membership card. We then added two (2) new members to our Chapter's roster. This brings our total membership to 168 Regular members and two (2) Associate members. I'll say it again; here is a great big **WELCOME** to our two (2) new members. They are Douglas County Sheriff's Office Captain Keith Logan

and his wife Dina Salvucci (Deputy District Attorney, Washoe County). Please don't forget to search Keith and Dina out at our meetings and make them feel welcome.

At about 7:35 PM Fred Hersey introduced our Guest Speakers. They were Mr. John Amundson and Douglas County Sheriff's Office Captain Keith Logan. Their Topic was about the community-based Partnership of Community Resources. This was a strong and extremely informative presentation. Fred's article gives all the details related to this Douglas County-based program. I must say, while I have knowledge of various Hot Lines for assistance within the community; I never realized this organization existed and yet it was founded in 1992. It is also highly supported by the Douglas County Sheriff's Office. This was a great presentation. Thank you John and Keith for sharing this information with the IFA, Carson Valley Chapter #72 members.

The Early Bird drawing was conducted at about 8:05 PM. Ray Hoyt's Secretary-Treasurer's report was accepted without incident. There being no old business, we moved to new business. New business item number one (1) involved reviewing a pro-

posed amendment to change the Chapter Bylaws that would remove the fixed number of three non-officer directors permitted to serve on our Board of Directors. A motion to accept the proposed amendment was made by Ray Hoyt and seconded by Chuck Lowe. There being no discussion, a membership vote was taken and the proposed amendment was passed unanimously. New business item number two (2) dealt with your Nominating Committee's (Larry Gray, Ray Hoyt and Phil Kasper) recommendation for the Chapter's 2008-2009 fiscal year's Officers and Directors. The following was presented by me:

From the Secretary-Treasurer

First, the preliminary arrangements that had been made to host a District 2 Meeting ahead of our regular April dinner meeting at the Carson Valley Inn have been cancelled. There were only a few Footprinters from elsewhere in our district who indicated a willingness to make the trip to Minden.

For those who are not aware, District 2 consists of the following four active chapters: San Francisco Chapter #1, North Bay Counties (Marin County, CA) Chapter #15, Peninsula (San Mateo County, CA) Chapter #35, and our very own Carson Valley Chapter #72. The East Bay (Alameda County, CA) Chapter #7 shut down last year, and the Redwoods (Crescent City, CA) Chapter 66 is essentially out of business with only one member left.

I would again like to remind our members how important it is for reservations to be called in for our dinner meetings. While we seem to always be able to deal with last minute emergencies, and they will happen, those that know whether or not they will attend should call someone on the calling committee shown on page 1 of this newsletter with their intentions. This makes life so much easier on those of us that have to plan and guarantee the numbers to the venues where we meet. Additionally, if you call at least one week in advance (either to attend or not attend), you qualify to be in the Early Bird draw for a free dinner at a future meeting of your choice. Thanks for your cooperation.

See you on April 17th at the Carson Valley Inn.

From the 1st Vice President

Our Guest Speakers, Mr. John Amundson and Douglas County Sheriff's Office Captain Keith Logan turned in an excellent and most informative performance with their tag-team presentation linked to The Partnership of Community

Resources. We learned that this nonprofit community coalition was founded in 1992 to support and strengthen networking amongst Douglas County residents and to bring drug, alcohol, tobacco, suicide and teen pregnancy prevention education into the community. While it seems this program is targeted for "Teens," anyone in the community can take advantage of the services offered. If you wish to learn more about this program in addition to what was presented at the March 20, 2008 meeting; you can go to www.partnership-resource.org. Thank you John and Keith for giving us this fine program.

Nevada Supreme Court Justice, Nancy M. Saita needed to reschedule her Guest Speaking engagement for our April 17, 2008 meeting. So, I have tentatively rescheduled her for our September 18, 2008 session. Our new Guest Speaker for the April meeting will be Ms Grace Bower. Ms Bower is the President of the Douglas County Historical Society. Her topic will deal with Douglas County's History. She will touch on the Historical Society's purpose and function. She will also discuss where the Society's money comes from and how it is used. Finally, she will talk about the various programs the Historical Society supports and their impact on the community. This program will certainly be a change of pace and should be quite interesting. Remember - there is nothing like brushing up on your history, especially when it relates to the community you live in! See you at the meeting.
