## The President's Message

I am very happy to have the first meeting under my belt so to speak. What a first meeting. Deputy Sheriff Adam

Windsor was a great recipient for our Service Recognition Award. Sheriff Ron Pierini, with Captain Mike Biaggini made a great presentation of our award, as well as giving Adam his second Life Saving Medal. He is the first person at DCSO to get a second award in his career. How proud he has to be to have a ribbon made especially for the occasion. It makes me so proud to live in this community that has such great people. I also think we have a great Sheriff that never fails to acknowledge the people that are

deserving of special recognition.

Our speaker was Sam Bauman. He had many interesting stories from his 53-year career in journalism. We thank him very much for sharing some great times with us.

For those of you who missed the meeting, I was pleased to present Past President Larry Gray with his Past President's pin. We thank him for 2 great years. He will be our Public Information Officer, make name badges, certificates, and keep track of ailing members or those who need our support. Thanks Larry.

I noticed we had a few more raffle gifts. Thanks to some people who bring more than one. This is really

generous and it means more people will go home with a prize. And a few passed on more prizes as they had already won one. What a great group of people you are. I'm so happy to be your President. Why is it we all like to take home those gifts?

Well, with the exception of Mary Biaggini. She saved what Mike calls a victim, a plant from certain death. The plant was beautiful and found a good home.

Hope to see you all on September 18th at CVI. Tom Mezzetta has a great program planned - Nevada Supreme Court Justice Nancy Saitta.

## From the Secretary-Treasurer

As I write this column nearing the end of August, there is just one more month of grace period remaining for those who have not yet paid their 2008-09 dues. Section 8.01 of

our Chapter Bylaws requires us to automatically drop from the membership rolls any member whose dues remain lapsed three months after they become due. Those of you affected by this have been notified either by email or with a reminder dues notice. Please don't let your membership lapse.

As soon as the membership renewal cycle concludes, I will prepare a proposed budget for this new fiscal year for consideration by our Board of Directors. Since our next Board meeting is scheduled for September

23rd, we should have a fairly good idea of our financial picture at that time. I anticipate another year in which we will be solvent - a term that always gets a chuckle at our dinner meetings!

Regarding meeting minutes, even though long ago the membership opted to not have them read at every meeting like some organizations require, I still take minutes at every membership and Board meeting. I have a file with copies of all of the meeting minutes which are certainly available for review by any member who inquires.

I look forward to seeing most of you at our next meeting on September 18th at the Carson Valley Inn.

### Greetings from the 1st Vice President

Those who missed August's IFA dinner meeting missed a great talk by Sam Bauman. It would be nice to have him back at another time. Claudia Lowe did a wonderful job as our newly elected President. Keep up the good work Claudia! Our next meeting will be on September 18 at the Carson Valley Inn. The price of dinner will be \$20.00. Please make your reservations before the cut-off time and you will be entered in the drawing for a free dinner. Your name will be entered in the drawing even if you can't make the meeting, but you have to call or email and tell us you will not be there. I look forward to seeing you there.

Barbara

### Vice Presidents' Stuff

#### From the 2nd Vice President

Justice Nancy Saitta will be our guest speaker at the Carson Valley Inn on September 18th. Justice Saitta was elected to the Nevada Supreme Court in 2006. Prior to her election to the Supreme Court, Justice Saitta was a judge at the Eighth Judicial District Court and prior to that, a Municipal Court judge in Las Vegas. Justice Saitta has a long history as a children's advocate, and continues to have a strong voice in that cause. In 2005 she was named one of the Top 500 Judges in America by Law Dragon publication. It should be an interesting evening. Hope to see you there.

Tom
