The President's Message

I would like to thank last month's guest speaker Bob Nylen for stepping in at the last minute to help, and giving a very enjoyable presentation.

He donated a wonderful prize for our raffle. Congrats to Beverly for winning that great prize. Also to Tom Mezzetta, who is doing a great job getting very interesting and informative guest speakers for our meetings. Thanks Tom.

By the time you read this we will have had Safe Street. I want to thank all that helped with candy, money, their

time handing out candy, or decorating our booth. We were able, thanks to a very generous membership, to buy \$200 in candy and put over \$70 in the treasury. *I applaud you all.*

I encourage you all to share your membership in this fine group with your friends and family. We are very lucky to have some new members and I encourage even the very newest member to become involved in the workings of your club. We need people who would like to serve on the board. Please contact myself or other board members. We will give you all the tools needed to do the jobs.

By the way, Tom Mezzetta won the first gift last meeting. I guess Betty does put his tickets in after all. His comment, "you must have missed one, Betty." When will he learn Betty is as good as gold and very honest. We have a great time at our meetings. Make sure to join us for our last dinner meeting of the year.

TO BIGGER AND BETTER
FOOTPRINTS.

Claudia

From the Secretary-Treasurer

Our attendance was up for our last dinner meeting at the Carson Nugget. After two meetings with attendance in the 40s, last month we had 55 in attendance. Hopefully, our numbers are on the upswing!!

As I write this column, we are 1/3 of the way through our association year and we have only added 2 new members during that period. In the past 5 years, we have lost, for a variety of reasons, an average of 22.4 members per year. It goes without saying that in order to keep even, we need to sign up at least that many new members every year. It would behoove us to step up our recruiting efforts.

We recently learned that another of our members has died. Twelve-year member Ray Peterson passed away on October 1, 2009 from cancer. He was a Chief Quartermaster in the U.S. Navy during World War II, and most recently was a part-time bartender at the Carson Valley Inn. Some of you might remember him as the gentleman with the wavy gray hair that always wore his Footprinters golf

shirt when he dispensed our beverages at our dinner meetings. Ray was 88 years old.

At the risk of repeating myself, I am still soliciting my replacement as Chapter Secretary-Treasurer. I've done this job for 10 years, and I think it's time for a change. If anyone is considering it, please contact me - I'd be happy to go over the job description, files, records, etc. that have to be managed. Think about it...

The December get-together for our chapter traditionally has been a potluck at the Hoyt residence. This year, it will be scheduled for Sunday, December 13, 2009, starting about 2PM. No business will be conducted and no Pot of Gold, just a social gathering with food and beverage. Bring your favorite finger food or whatever, and come and socialize with friends.

Directions to our house will appear in next month's newsletter.

See you at the November dinner.

Ray

From the 1st Vice President

Chief Probation Officer Doug Swalm will speak to our group on November 19th. One of Doug's duties is overseeing those individuals convicted of a crime that meets certain criteria for a sentence of "House Arrest". In those cases, Doug is responsible for seeing to it that they obey the conditions of said sentencing, which could include remaining at home, abstaining from alcohol and drugs and unannounced search and seizure.

Doug will be demonstrating one of the tools he uses to accomplish this overwhelming task, electronic monitoring. With this gadget, Doug can track the location of a probationer and even take a breath test over the telephone to detect the presence of alcohol. Very high tech, very interesting.

Please join us on November 19th at the Carson Valley Inn.
