The President's Message

Hello fellow Footprinters,

I am enjoying another beautiful day working at Lake Tahoe. I really had a great time at the last Footprinters Dinner at the Carson Valley Inn. The guest speakers, Nancy Bryant and Sharlene Irete from the Douglas County

Library Foundation were very informative. All of the free services they offer are unbelievable. And, of course it is always an honor to present our Special Recognition Award to recipients like Tracy Connelly from the East Fork Fire and Paramedic Districts.

I will say this one more time; I believe this is my last newsletter article as your President. It has been a great year and we have made a significant contribution to the Douglas County Sheriff's Office with our \$2000.00 contribution to the Douglas County Search and Rescue Team.

I thank all of you for your support, encouragement, and friendship thru this past year. I am not going anywhere! In fact, I will still attend the ongoing dinners meetings as much as

possible and I am going to try and recruit additional members; because, we need to keep growing our organization. Take care and have a safe and fun 4th of July and a great summer.

I'll see you at the Members Appreciation Picnic at Aspen Mobile Home Park on July 27th.

David

From the Secretary-Treasurer

At the June meeting, I was expecting to be less than attentive, but when Nancy Bryant and Sharlene Irete began their presentation, my attentiveness factor went to a 10. Now I do a lot of reading at home, but little did I realize the scope

of the services offered by our local library. And, the best part is those services are free; services ranging from downloading of books to your reading device to reservation of meeting rooms. So, kudos to Nancy and Sharlene as well as the library staff and volunteers.

This is my last article as your Secretary-Treasurer. As I said last night, it has been an interesting two years during which, I have gained a full appreciation for what Ray Hoyt has put in place to make it much easier to assume this position.

To all my fellow Footprinters, thank you for the support you have given to the Chapter and to the Douglas County Sheriff's Office.

Walt
