September - "Dinner Meeting

"Country Club"

Attitude Adjustment Hour at 6:00 P.M.

Dinner & Meeting at 7:00 P.M.

Thursday, September 24th

Hello again, Footprinters:

Our dinner meeting at the Country Club was great, as usual. Our guest speaker, Bill Reynolds, did a fine job informing us his work with youngsters and young adults here in the County. He is doing a fine job, and he is also making application for membership in Carson Valley I.F.A. # 72.

Sgt-at-Arms, "Larna" suggests that those of you who attended our last meeting are aware of the different method of operating the Pot-O-Gold drawing. We would appreciate your comments. Should we continue this method or return to the way it was or perhaps we might alternate? We welcome your input.

Our Board of Directors would like some ideas for a "Fundraiser" for this year. Our two spots in the Elk's Flea Market netted us \$75.00 which we will be putting into our "Chairty Fund".

We have reserved the Country Club for our Christmas Party on December 12, 1992. Mark your calendars. More about that in up coming news letters.

Dues are considered "Delinquent" after this month. The following people may have not remembered to mail their \$24.00, so to jog your memories: George Abrams, Mark Barr, Mike Chudy, Richard Clark, Ted Demaegt, Harry Franklin, Charles Griffin, Rodney Lane, Mark Rubin and Brad Seevers. We don't want to drop anyone, so please mail your dues check to the address above, but if you must drop, please give us a call or drop a note as to your intentions. Thanks... (267-2066).

Our condolences to Mike Delczeg and his family for the loss of his wife Carole. Both Mike and Carole are Charter Members of Carson Valley # 72, but never got to attend any of the meetings due to her cancer. Carole passed away on September 9th, may she rest in peace.

September Birthday Wishes to:

(2) Rodney Lane (6) Buck Phillips (8) Rick Johnson (18) Carol Baker

This is a short Newsletter, but to the point, we hope.....

Yours for Bigger and Better Footprints.....
