The President's Message

My goodness, here we are in April already – just the other day it was Christmas. I'm sorry I took so long on my presentation last month, but I can get carried away when I have a captive audience.

Okay, here's a current news break: DCSO Deputy saves life of Carson Sheriff Captain. An off duty Carson Sheriff Captain narrowly escaped serious injury recently when he attempted horseback riding with no prior experience. He mounted the horse, unassisted and the horse immediately began moving. As it

galloped along at a steady and rhythmic pace, the Captain began to slip sideways from the saddle. Although attempting to grab for the horse's mane, he could not get a firm grip. He then threw his arms around the horse's neck, but continued to slide down the side of the horse. The horse galloped along, seemingly oblivious to its slipping rider. Finally, losing his grip, the Captain attempted to leap away from the horse and throw himself to safety. His foot became entangled in the stirrup and he was at the mercy of the horse's pounding hooves as his and upper body repeatedly struck

the ground. Moments away from unconsciousness and probable death, to his great fortune, a Douglas County Sheriff's Deputy, at Wal-Mart on a shoplifting call, saw him and quickly unplugged the horse ride! Happy April (Fools).

Bayan

From the Secretary-Treasurer

At the March meeting, the Nominating Committee (Past Presidents Larry Gray and Phil Kasper) presented the first reading of their slate of officers and directors for the year beginning July 1. No additional nominations from the membership were offered. They are recommending that the current officers and directors be re-elected for another term. Their recommendations will be repeated at the April meeting; nominations from the floor will again be invited. Thereafter, the elections will be held.

We continue to grow in membership! I have received an application for

membership from Charles Poe, who is a retired law enforcement officer from AZ, CA and NV. He was recruited by John Coyle. Welcome to the chapter, Charlie. I am aware of at least one more prospective member that could be in the works.

Plans are underway for our annual picnic this summer. Details will be disseminated to the membership as soon as arrangements are finalized. Watch for more information!

That's about it from the Secretary-Treasurer's corner.

Vice Presidents' Stuff

From the 2nd Vice President

Many thanks to our own Bayan Lewis for being our March speaker. The events of that horrific North Hollywood Bank of America robbery were poignantly presented. What an ordeal! We're all thankful that the only fatalities were the robbers themselves, although many other people were hurt that day.

For April, we are going to have an exciting presentation. It's about the Douglas County Bomb Squad!! Our speaker will be Captain Todd Moss from the Tahoe Douglas Fire Protection District. He will be giving us a presentation about the Bomb Squad. He will also bring along some displays of articles used by the squad for you to examine. And, the highlight will be a live (not a live bomb!) demonstration with the bomb squad robot. We should all enjoy this coming event.

See you at the Plaza Conference Center on April 21.
