JUNE 2013

ISSUE 6

The President's Message

Dear Footprinters,

At our last meeting it was my intention to mention that we were just beginning National Police Week. It is especially meaningful to an organization such as ours that not only supports Law Enforcement but has many current and former Law Enforcement officers within our club. For those that may not know the history.....

In 1962, President John F. Kennedy signed a proclamation which designated May 15th as Peace Officers Memorial Day and the week in which that date falls as Police Week. Currently, tens of thousands of law enforcement officers from around the world converge on Washington, DC to participate in a number of planned events which honor those that have paid the ultimate sacrifice.

The Memorial Service began in 1982 as a gathering in Senate Park of approximately 120 survivors and supporters of law enforcement. Decades later, the event, more commonly known as National Police Week, has grown to a series of events which attracts thousands of survivors and law enforcement officers to our Nation's Capital each year.

The National Law Enforcement Officers Memorial in Washington, DC honors federal, state and local law enforcers for their dedication and sacrifice. The memorial features

bronze sculptures depicting a series of adult lions protecting its cubs, symbolizing the protective role of law enforcement officers. Blue-gray marble walls are inscribed with the names of more than 17,500 officers who have been killed in the line of duty (dating back to 1792). Each May, during National Police Week new names of fallen officers are added to the National Law Enforcement Officers Memorial. I was fortunate to be in Washington DC in May 2012 and observe part of this event and the beautiful tributes left by a grateful nation.

On a lighter note, our May meeting was well attended and I was able to perform one of my favorite duties as President, present a Service Recognition Award. This quarter it was presented to, recently retired, Fire Inspector John Babcock, of the East Fork Fire and Paramedic Districts. Congratulations John, enjoy a long and healthy retirement.

Mark your calendars for the annual picnicJuly 28, Aspen Park. Watch the newsletter for complete details!!

From the Secretary-Treasurer

At our last meeting, one of our members, Paul Conrad, took the floor and warned our fellow members of a scam that could affect any of us. It has dire consequences in terms of

identity theft and outright plundering of your assets. It goes like this: you are on a vacation trip and at the end of the day you check into your hotel/motel. You go to your room and a short while later the phone rings. The person on the other end of the line says that they are the front desk and that there seems to be some difficulty with your credit card and could you please provide that number again as well as the

three digit code on the back. At this point, alarm bells should be sounding. Under no circumstance should you provide that number. Tell the person calling that you will go the front desk and correct any problems. And you should do exactly that to let them know what happened and report the call to the local police.

Most of us are aware of scams like this, but there are some who have not and will fall for this gambit. So please, be aware, and BEWARE. There are reprobates out there.

Walt

Vice Presidents' Stuff

From the 1st Vice President

Hello Footprinters,

Summer is finally here and I hope everybody has plans to get out and enjoy it. I was told the Farmer's Almanac has predicted a wet summer, we could use the water. I want to thank Douglas County Sheriff's Search and Rescue (SAR) for stepping up at the last minute to be May's guest speakers. SAR is truly a great group of individuals that donate numerous hours to the Sheriff's Office. Thank you to the Footprinters for making Bob Voss and Shaun Thomas welcome.

The guest speaker for June will be Investigator Jon Storke, who was supposed to speak in May; but his wife decided to have their baby and did not get out of the hospital until the day of our meeting. Investigator Storke completed polygraph training this year and will update us on what is new in the lie detection field.

Have a great June.

David

From the 2nd Vice President

At our last meeting at the Carson City Nugget, Bob Voss and Shaun Thomas of the Douglas County Search and Rescue Team were the guest speakers. There were a lot of questions for Bob and Shaun after the presentation which usually suggests great interest by those attending the meeting.

The next meeting will be June 20th at the Carson Valley Inn in the Town of Minden. Social hour is at 5:30 pm. The meeting will come to order and dinner will be served at 6:30 pm. The cost will be \$20.00.

Try to bring a guest and a Pot 'O' Gold gift. Also, remember to RSVP by June 13th to get your name entered into the drawing for a free dinner.

See you at the meeting.

Joan
