The President's Message

What a delightful evening at Kids and Horses. I hope everyone had as much fun as I did. Everyone there was so welcoming and helpful. We had the opportunity to meet Bryce, one of the students, and see him put through his program. I spoke to his mother and she said he had grown so much in confidence, balance and overall wellbeing in the one year he had been there. Our own, Dorothy Magnotta, volunteers there and her husband Dave was our bartender. Cat O'Brien, the Program Director, gave us an interesting overview of what they are doing. They have 80 plus clients and are always finding ways to improve on what they have. What a great operation. Cat told us they are always happy to have anyone come and visit or help. No horse experience is needed. The food was excellent, and they had a lot of helpers cooking and serving. Several of our members won some nice doggy bags of left-over ribs and sausages. We are so lucky to have this group in our community.

In October we have more excitement! One of my favorite events is Halloween Safety Street. It is on October 31st at the CVIC Hall on Esmeralda. Our club, along with many other clubs and businesses in Douglas County, have a "booth" and we give out candy to approx. 2,000 kids. Claudia Lowe always takes charge of this and along with Betty Miller do a great job decorating our space. It is from 3pm till 8pm. It is fun to see all the kids and families as they stop for their treats. Costumes are encouraged but not required. You will see most of us adults dressed up along with the kids!! If you wish to donate to the candy fund, please call or email Claudia at 775-267-5630 or lowesfolly@yahoo.com. It is a wonderful way to enjoy Halloween and feel like a kid again.

Our Board will be meeting October 15th and we will have more information on our venues, guest speakers and Christmas Party at our next dinner meeting. It will be at Jethro's in Gardnerville and we will hear all about Bentley's projects. It looks like their brewery is almost done! Please remember to let Peggy Frick know if you will be there.

BILL PETERS

Hello fellow Footprinters

I hope everyone enjoyed the Kids and Horses event held last week. I learned something new and it's always nice to know there are alternative therapies out there for kids and young adults to deal with life's challenges. And of course thank you Sheriff Ron and Celeste for finding that venue.

Our next meeting will be held October 18th at Jethro's Oven and Grill, doors opening at the customary 5:30PM, Dinner at 6:30PM and the price is \$ 23.00

I know I always say this, but please make sure you have your reservations into Peggy no later than the Thursday before the event by **Noon**. (in this case, it's Oct. 11th) I'm going to start holding Peggy's feet to the fire so to speak about strict adherence to this.

99% of you abide by this and I thank you for your consideration and promptness. For the other 1%, well, I cannot keep calling the venue 3 days later and trying to change the count. They have to run their businesses the way they see fit, and if they say they need a **FINAL COUNT** a week in advance, that's what it'll be. Even if you call Peggy later than noon, or a day later and leave a message, your reservation will **NOT** be honored. If you choose to show up and there happens to be open seats, you can have them. But if we're full, you cannot attend. Even just sitting without expecting a meal will not work because the venue's do a head count and we'll be in violation of our contract. I'm sorry to be the bearer of bad news, but we've been discussing this for over a year now and it's time to start adhering to our commitment to the venues. Again, this does not apply to most of you, just a few that need to get their reservations in on time.

And on that note... I look forward to seeing you all at the next event.

Bill

2nd Vice President

Hello All,

CELESTE PIERINI I hope you enjoyed your time at Kid's and Horses! While this venue was different than the ones we typically frequent, I think it was fun and informative (and the food was phenomenal!). It is amazing to see the wonderful work that this organization does for those in need. Hopefully some of you will consider volunteering, as the emotional benefits appear to be a two-way street!

Next month we will have Bryan Davis come speak to us. He is the Marketing Director for Bently Enterprises and will be discussing the new distillery on Hwy. 395 and Buckeye. Bryan is a wonderful and informative speaker and Bently Enterprises is an integral part of the "business world" in the Valley and beyond. Please come and listen to what they are planning. Thank you again for the wonderful turnout at our September meeting. See you in October!

Regards,

Celeste

From Secretary Treasurer

PEGGY FRICK It was a delightful change to have our dinner meeting served by Kids & Horses, thanks to Bill Peters for giving us something new. They did an excellent job and the food was plentiful enough to raffle off the leftovers. They are an incredible organization and provide real opportunities to young people with challenges.

I am sure everyone has heard this before but Bill arranges our dinner meetings and needs a headcount no later than noon on Thursday the week before our meeting. I will try to send out reminders several days ahead of that date.

Fall is here and President Pat announced some of the many activities coming up in the area to keep us very busy and involved.

Enjoy the cooler weather.

Peggy
