

CARSON VALLEY FOOTPRINTER

PAT SMITH

The President's Message

What a wonderful turnout we had at our January meeting at the Carson Nugget. I was really glad to see our "blizzard" turned out to be a bit of rain! It is always worrisome when the weather is bad, and we are on the roads.

I was very pleased Douglas County Sheriff Dan Coverley was able to be our speaker, especially with everything going on with the murders in our community and Reno. I just finished watching the news conference and was relieved to hear they caught the suspect who they are confident is responsible. I am sure we will all sleep better now. The Sheriff's Department here in Carson City, Reno and Washoe have done an excellent job and deserve all the thanks we can give them. They worked tirelessly for all of us and our safety.

It was nice seeing so many guests. Nancee Goldwater's grandkids, Trey, Mary and Whitney were very helpful. They greeted members and ran the Pot O Gold prizes to the winners. I also look forward to getting to know Dave and Cindi Osowski, former members who are back. A big thank you to our members who have brought guests. Of course, we love it when they decide to join. Please make sure to say hi and get to know them.

I know our treasurer, Peggy Frick, has made this plea before, but please, it is important to make your reservation on time, but equally, if you don't think you can make it, please let her know ASAP. We are charged for the reservations we make whether you are there or not. Most of you are great and emergencies happen, but please keep in mind, we still need to pay for your dinner.

I hope to see you all at Jethro's February 21st. Their food is always good, and they make every effort to make us comfortable.

Pat

PEGGY FRICK

Hi Friends,

What a great turnout we had for our January meeting. There was a threat of blizzard conditions that never materialized, but we were a bit concerned that members might stay home. Folks came out to meet our new sheriff.

Sheriff Coverley gave a super update on what is going on with the Douglas County Sheriffs' office as well as some good hints about what we can do to protect ourselves.

Thanks again to Celeste for a super program.

Peggy

2nd Vice President

CELESTE PIERINI

Hello,

A big thank you to all who attended our last meeting! It was a blustery, wintery evening and I was pleasantly surprised by the turnout. Sheriff Coverley was interesting to listen to and I feel it was a nice introductory talk. Taking into consideration how busy DCSO was during this time, I for one, appreciated both his and Undersheriff Howell's attendance.

Next month, we will be treated to a wonderful presentation by the nonprofit organization called the "River Wranglers". This group is composed of highly educated individuals in the fields of environmental science, park management, and water resources. The Carson Valley and Carson City sits in the western Great Basin and the rivers, the Carson, Walker, and Truckee are important water sources. In our area, winters are traditionally harsh (feet upon feet of snow on the Valley floor was a normal occurrence after one storm when I was growing up!), spring is mild and summers scorchingly hot. The weather has changed over the years and while water was always a precious resource, it is even more so now. The "River Wranglers" conduct community education based on the watersheds in our area to young people and are very impressive in their knowledge. Please take time to come hear them talk. It will be a treat!

On a side note, I believe that we all bring unique perspectives and interests. I hope you have enjoyed all of the speakers over the last 2 years that I was able to bring to our meetings as much as Ron and I. June is the last meeting of the year (July is the annual picnic and installation of new officers). While I have enjoyed being 2nd VP and searching for speakers, I will be handing in the reins so to speak. My purpose in writing this now is to get you all thinking about possibly becoming 2nd VP and bringing your interests and ideas to us via speakers for the next year!

All the Best and see you soon!

Celeste
