

CARSON VALLEY FOOTPRINTER

PAT SMITH

The President's Message

What a lovely evening we had at Gold Dust West. They always do a good job making the room welcoming and their staff are always so nice. Our guest speaker, Daria Winslow, from Partnership Douglas County, spoke to us about how her agency helped fund so many of the programs our county has that help the young and old. It was very interesting and informative. Daria plans to join the Douglas County Sheriff's Dept. when she graduates college. We can only benefit from having such a bright and enthusiastic young woman in our community.

Carson City Fire Chief Sean Slaman presented Bryon Hunt with our Service Recognition Award. We were also able to congratulate Bryon on his promotion to Fire Captain. I feel so honored that our club has this award ceremony and we recognize outstanding service from our First Responders.

It is also that time of year when our Nominating Chair Ray Hoyt and his committee are looking for members to fill the vacancies we will have on our board. We need a VP of Venues and a VP of Programs. Bill, Celeste and I are very happy to help anyone settle into the position they choose. I have found everyone is very helpful and our members are easy to please and very encouraging. If you nominate someone other than yourself, please make sure they will say yes!!

Next month I hope to see you at Gold Dust West again. I am excited to hear Sarah Sanchez. She is going to tell us how the Carson Valley Community Food Closet is doing and all about the new building that is almost ready to use. Please remember to let Peggy Frick know you will be there. We still have a drawing for a CVI gift certificate for the Early Birds. Best of Luck!

Thank you,

Pat

1st Vice President

BILL PETERS

Hello Fellow Footprinters

I'll keep this article short and to the point. April's meeting will be held at the same place as last month, the Gold Dust West in Carson City. Doors open at 5:30PM and the cost is \$24.00 plus tickets. Usually it would be held at Jethro's, but he couldn't accommodate us this month, so Gold Dust West was gracious enough to once again have us.

Don't forget to submit your RSVP by April 11th via the website.

2nd Vice President

CELESTE PIERINI

Greetings,

I hope you enjoyed our most recent meeting at Gold Dust West. Partnership Douglas County (PDC) was well represented by our speaker, Daria Winslow. She is engaging and confident and her role as Community Educator is well filled. PDC have their "hands" in numerous programs in our county whether their role is a funding entity or advocate/statistical reporter. Give them a call if you have any questions about the resources available for Douglas County citizens (775-782-8611).

Next month's speaker will be Sarah Sanchez who is the Director of the Carson Valley Community Food Closet (CVCFC), our local food bank. CVCFC has recently expanded their facility to accommodate the need for extra space. While Douglas County is an affluent county, there are numerous people in need of food assistance, particularly the senior population. Please come and listen to Sarah as she explains the vital role CVCFC plays to help fill this gap.

All the best,

Celeste

2019 Nominating Committee Update

As the chair of this year's Nominating Committee, I am still on the hunt for two volunteers to serve as our 1st Vice President (venues) and 2nd Vice President (programs).

As for the 1st Vice President position, venues have already been arranged for all dinner meetings through the remainder of 2019! The person who volunteers for this position will have dinner meetings to arrange beginning from January 2020. The job also involves providing the guaranteed count to the venue by the deadline (currently one week in advance).

The 2nd Vice President's job involves arranging guest speakers for our dinner meetings. Typically, these presentations relate to either first responder topics or subjects of general interest to our local area.

Interested members can make their intentions known to either Chair Ray Hoyt, or Committee Member Phil Kasper. I hope to hear from interested parties, so that the "arm-twisting" phase of this process will not be needed!
