## The President's Message

Welcome to Fall! It's hard to believe we are already into Pumpkin time (and dustings of snow on the mountain peaks!)

The speaker at our September meeting was Battalion Chief Scott Fraser from East Fork Fire Protection District. Chief Fraser brought us up-to-date on the current fire season, which has seen one of the lowest incidents of wildfires on record. He informed us of future plans for East Fork and answered many of our questions.

Thank you Chief.

Also at the meeting, Michael and Ellen Moreno were approved as new members. We look forward to seeing Mike and Ellen at a future meeting. Thank you to Virginia Irlikis and Dave Chieruzzi who performed a great job as Greeters at our meeting. Tim Hinkley was our Early Bird winner – so it goes to show that reserving early for the next meeting has its dividends!

At the meeting, Ed Bryant was presented with a pin to mark 20 years as a member of Footprinters. Congratulations and Thank you Ed.

I want to again thank Wanda Braden for requesting that donations be made in Don's memory to Footprinters. Peggy Frick has an update on those contributions.

Camille Howard asked that we attend Empty Bowls to help end hunger in Douglas County – one bowl at a time. The event is being held Saturday, October 5 at Carson Valley United Methodist Church, 1375 Centerville Lane, Gardnerville, NV between 4:00 pm – 6:30 pm. Tickets for the 'all you can eat dinner' are \$20 and a locally made ceramic bowl is included for the delicious food. For tickets, contact Mary Ann at 775-224-0070.

## Second Vice President

Hi Friends,

I apologize that I have not been at the last two meetings since I have been out of town; I will be at our October 17th meeting. I thank Claudia Lowe for announcing the last two speakers; she is an outstanding person and I appreciate her help.

Our October meeting's speaker is Heather Lackey along with her son, Nolan. For years Heather's business has dealt with several "nuisance wildlife" such as bats, birds, raccoon, skunks, and bobcats. She started this business years ago and is well recognize not to kill animals, but to remove them to another location. Her job is not easy and residents in northwest Nevada thank her for responding to help them. Without question, you will enjoy and learn Heather and Nolan's presentation.

Peggy Frick

## Secretary Treasurer

The 'season' for invoicing for our annual dues is over our membership has dropped from 123 to 97.

Thank you to those members who donated to our chapter in memory of Don Braden.

We received a note from the Sheriff's Advisory Council and I thought a short note from the content would be good to pass on.

"Recently purchased equipment, made possible through your donations, played a crucial role in supporting their success:

The apprehension of a violent criminal from the Bay Area was facilitated by the drone funded by Douglas County's Sheriff's Advisory Council (DCASC). The drone also played an important role by supporting evidentiary documentation of the crime scene.

During the multi-agency investigation of the quadruple homicides, the drone was used to catalog the crime scene areas. "

# Safety Street

## October 31, 2019

Each year our organization participates in Safety Street to ensure that the children of our community have a safe place to trick or treat on Halloween.

This year our theme is Charlie Brown's The Great Pumpkin!

Our participation is dependent on your support.

You can lend support via monetary donations to purchase candy, actual candy donations and working shifts at the event. Please bring unopened bags of candy to our October meeting. We will also be taking monetary donations at these meetings. If you are unable to attend, we will gladly pick up the items from you.

Please contact Jacie if you are able to help support this fun event for the children in our community.
