The President's Message

Welcome to Fall! It's hard to believe we are already into Pumpkin time (and dustings of snow on the mountain peaks!)

What a beautiful time of year! I'm sure you're enjoying the splendid colors in our Valley, like me.

I very much enjoyed our Guest Speaker, Heather Lackey, who spoke at our last meeting about nuisance wildlife. Ron will tell you more below. Ron will also tell you about our next Speaker, Tom Spencer, at Jethro's on **Thursday, November 21**. This is a meeting you won't want to miss. **The speaker's information will be beneficial to us all.**

The Greeters at our last meeting at Gold Dust West were Guy Sapp and Christine Blackburn. Thank you Guy and Christine for doing an excellent job...and thanks to all of you who regularly bring gifts for our raffle....it's always exciting to see what's 'in the bag'. Knowing that the money raised from our raffle ticket sales is going towards good causes is an added bonus!

If any of you are/have been sick, I wish you a speedy recovery. Our special Past President, Pat Smith, is recovering from knee replacement surgery – so we all send our good wishes to you Pat and look forward to seeing your smiling face again very soon.

Safety Street 2019 was a success. This was my first year attending Safety Street. It's a very special event and to see all the kids and their families go through the 'candy lines' is something not to be missed! Thank you Jacie for volunteering to take over the function this year after Claudia Lowe and Betty Miller's superb efforts in the past.

President's Message Continued ...

...and now it's time to talk about Christmas. If you haven't already done so, please mark your calendars for **Sunday, December 15** for our Christmas Potluck Party. This year we are holding it in Genoa at the Genoa Lakes Ranch Course (not outside!) between **12 noon and 3:00 pm**. Details are given below. We hope to see many Footprinters faces at our Party! ***There will be no Pot O'Gold drawing in December.**

I look forward to seeing you at our next meeting which will be held on **Thursday, November 21st at Jethro's Oven & Grill, 1281 Kimmerling Rd, Gardnerville, NV 89410**. Doors open at 5:30 pm. Please get your reservations in early to Peggy Frick (so you can qualify for the Early Bird drawing!) Again, our Speaker, Tom Spencer will provide extremely beneficial information.

Dear Members,

Happy Fall or Winer

We are meeting at Jethro's November 21st, the dinner will be \$23. Believe it or not the next week is Thanksgiving. Most of us have a lot to be Thankful for, like my wonderful husband, who hopes the witch leaves after Halloween (me). This year my goal is to become the Christmas Angel, wish me luck! Remember to bring those raffle prizes and please support the club by attending the monthly dinners. We are nothing without our members.

Second Vice President

Hi Friends,

October guest speaker Heather Lackey did a great job explaining about the nuisance wildlife in our "back yard". Her business name is Carson Creature Catchers and deals with raccoons, skunks, rattlesnakes, bats, birds, bobcats, etc. Those who attended this meeting appreciated Heather taking her time to be our speaker and to give information about wildlife.

On November 21st, our IFA meeting speaker will be Tom Spencer; his presentation will be "Cardio Pulmonary Resuscitation (CPR). He will provide an "overview of benefits of early CPR and cardiac defibrillation in our society." Tom has a huge background about First Aid, CPR, Blood Borne Pathogens/ Preventing Disease Transmission and Automated External Defibrillation; he will provide information to save lives.

Another great presentation by Heather Lackey and her business dealings with several “nuisance wildlife” species. The new membership cards are in and we will begin distributing them at the October 17th meeting. As I mentioned last month, we have had a large number of members choose not to remain in the chapter. We are currently down to 97 regular members and 2 associate members. There is always the chance that resigning members could change their minds and come back but looking for new members is always a goal.

A reminder about the dinner meetings. A head count of those attending must be submitted to the venue by noon one week before the scheduled meeting. I try to send out reminders a few days before that. The early bird drawing represents those members who have made their reservations before I sent out the reminder.

Lastly, our charter has collected \$225 in Memory of Don Braden. Thank you to all of our donors for your generosity

Looks like fall is really here, the colors are spectacular. Enjoy.

Peggy
